Dear Sir:

This is in response to a Notice To Comply With Requirements For Patent Applications Containing Nucleotide Sequence And/Or Amino Acid Sequence Disclosures mailed January 21, 2004, for which a response is due Sunday, March 21, 2004. Accordingly, this response is timely filed. Applicants point out that an identical Notice To Comply was also mailed on January 23, 2004, for which an additional response is not required.

Please enter the following substitute Sequence Listing and remarks:

In the Sequence Listing:

Please replace the paper copy and the computer-readable form (CRF) copy of the Sequence Listing previously submitted for this application, with the substitute sheets of the sequence listing, pages 1-8, and the CRF copy submitted herewith.

R E M A R K S

Due to errors found in the previously submitted sequence listing, applicants submit herewith a substitute paper copy of the sequence listing, pages 1-8, and substitute CRF copy of the sequence listing, in compliance with 37 C.F.R. §1.821(c), and §1.825(a) and (b). The substitute sheets of the sequence listing and the CRF copy submitted herewith, in accordance with 37 C.F.R. §1.825(a) and (b), respectively, are the same and contain no new matter. Accordingly, entry of the substitute Sequence Listing into the above-captioned case is respectfully requested.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 466992001300. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,
